Dear Mr Patenaude,

Thanks for your follow up. The Naskapi Nation of Kawawachikamach (“NNK”) will be definitively available during the week of June 12 to meet the Kativik Environmental Advisory Committee. However, we would prefer a meeting in person. In this regard, the NNK would be happy to welcome the KEAC in its community for your meeting that week if possible. We think it would be a good opportunity for the KEAC members to visit the community of Kawawachikamach.

Do not hesitate to contact me to organize the said meeting.

Have a nice afternoon,

Robert Prévost

Hello Mr. Prevost,

I presented your proposal to the members at our meeting last week they have agreed to a meeting to discuss the matter of Naskapi involvement in the activities of the Kativik Environmental Advisory Committee. Our next meeting is scheduled for the week of June 12 in a Nunavik community that has yet to be determined. It could be possible to arrange a conference call.

Here is a link to our new website where you can access our annual reports to give you a better idea of who we are as an organisation: <http://keac-ccek.ca/en/publication-type/annual-reports/>

Should you have any further questions please do not hesitate to contact me.

Dear Mr. Patenaude,

As discussed last week, the Naskapi Nation of Kawawachikamach ("NNK") would like to meet with the Kativik Environmental Advisory Committee ("KEAC") to discuss its mandate and how the NNK could participate more actively in KEAC's works.

I will wait for your return on when such meeting could be organized.

Thanks for your help,

Robert Prévost
